

Dear Kindergartner,

Hello and welcome to Harper! Are you excited to be coming to the BIG school? My name is Miss Hofschield ("Huff-sheeld"), and I will be your teacher this year. Our classroom will be Room Two. I look forward to meeting you and all of our new friends very soon. I'm excited to show you around!

I've been busy getting things ready for us. There is a block corner, a writing center, dress-ups, a house corner, a sand table, games, puzzles, a paint easel, lots of books, and SO much more! We will spend time doing lots of fun things. Do you like going to the playground and the garden? We will do that, too! Wow! I promise that you will really like your time in Kindergarten!

With this letter, there is a "Little Person Project" for you. Look for the "Little Person" shape and the paper with this symbol: 

It will explain what you need to do. The special project is something that you will make at home, and bring back to school when you first come to Kindergarten. Thank you for doing this special project for me. It will be something for everyone to see.

Until then, have a great end to the summer. I can't wait to see you!

Your teacher,

Miss Hofschield
