

A “FRIENDLY” FAMILY ASSIGNMENT

We are going to have a “Kindergarten Friends” bulletin board. It will help us get to know all of the many new friends we’ll have in school. I would like your help in completing it. **Parents:** *Included with this letter is an outline of a person. Please trace and cut out this “little person” on a piece of thin cardboard for your child, such as manilla tagboard or the back of an empty cereal box. Have your child use the cardboard shape for the project. Thank you for your assistance with this e-project.*

Kindergarteners, I would like you
to decorate this little person shape to look like YOU!!!
Look around your home for all kinds of materials that you and your family* could
use to decorate your little person shape. Some ideas that you might want to use
are: wallpaper, wrapping paper, scraps of other paper, fabric, yarn, lace, cotton,
crayons, markers, glitter, paint, and other odds ‘n ends.
USE YOUR IMAGINATION and HAVE FUN!

Please write your first and last name on the back of the decorated person
along with “AM” or “PM” Class.

Then, bring it to school on the very first day
you come to Kindergarten to meet your teacher!

Thank you for completing this project!
We look forward to seeing it, and mostly,
WE LOOK FORWARD TO MEETING YOU SOON!

The Kindergarten Team

**Family members are encouraged to assist with cutting/gluing/writing as appropriate, yet ideally, the kindergarten child should have most of the decision-making and the creative control as you work together so s/he maintains ownership of this project. THANK YOU!*
