

September 2017

Hello First Graders,

Welcome to first grade! My name is Ms. McCann. I am glad to be your teacher. We will be doing lots of fun activities this year and learning about animal habitats, the weather and places in our neighborhood and leaders from around the world.

Do you know that in first grade you will eat lunch everyday with your friends? We'll have recess and P.E, everyday too, and one of my favorite classes, Spanish. The teacher comes to our class to teach us in Spanish! You will also have other classes to go to such as music, art, computers and library. Wow, what a great year this will be!

On the first day of school please bring a souvenir from a summer trip, some pictures of a summer activity. We will all share our stories about summer fun. Also, bring a recent picture of yourself with your name written on the back.

That day you will take home a "Guess Who?" sheet. Fill in all the clues with information about yourself and then carefully draw your picture. Write your name on the back so no one else can see it. We will play a game during the first week of school to see if your classmates can "Guess Who?"

The first day of school will be lots of fun!

Sincerely,

Ms. McCann
