

August 2017

Hello First Graders,

Welcome to first grade! My name is Mrs. Mor. I am glad to be your teacher and am so excited to meet you! We will be doing lots of fun activities this year and learning about animal habitats, the weather, famous leaders and so much more.

Do you know that in first grade, you will eat lunch every day with your friends? We will have recess and P.E. every day too! You will have many “specials” classes like music, art, Spanish, computers and library. Wow, what a great year this will be!

On the first day of school, we will be sharing a fun memory from our summer, so please bring one picture of a summer activity that you enjoyed. Also, bring one recent picture of yourself with your name written on the back. This picture will be used in an upcoming project.

You will get your first homework assignment on the first day of school! You will take home a “Guess Who?” sheet. Fill in all the clues with information about yourself and then, carefully draw your picture. Write your name on the back so no one else can see it. We will play a game during the first week of school to see if your classmates can “Guess Who?”

The first day of school will be lots of fun!

Sincerely,

Mrs. Mor
