

August 2018

Dear Families,

Welcome to Kindergarten! I am very excited to be your child's teacher this year at Harper Elementary School. We are going to have a wonderful time together!

My name is Colleen Chick. I have completed both my Bachelor's and Master's degrees through Michigan State University (Go Green!). I spent the last seven years teaching Kindergarten and First Grade at McKenzie Elementary School here in District 39. Previously, I taught first grade at Lakeshore Public Schools in Stevensville, MI. Originally, I am from Troy, MI, where I grew up in a family of teachers: My sister teaches first grade and my mom is a retired first grade teacher.

Kindergarten is a year of exciting growth and changes! Just like it will be for your child, this is a time of much wonderful growth and change in my life: My husband, Stephen, and I welcomed our first child this spring! Our daughter, Nell, was born in March. We bought our first home where we live with our cat, Lux. I am looking forward to working with the wonderful staff and families at a new school as well!

I can't wait to meet you and your child!

Sincerely,  
Mrs. Colleen Chick
