

WELCOME TO FOURTH GRADE

Dear Fourth Grader,

This is a very special year, and you are the oldest students at Harper!

There is so much to learn in fourth grade, and we like to have a lot of fun learning together! Some of the highlights of the year will be the Earth Balloon, exciting new field trips, and Outdoor Education. Our Fourth Grade Team includes Mrs. Kennedy, Mrs. Kerber, Ms. Nerenberg, Mr. Sroka, Harper's Differentiation Support Teacher and Harper Learning Behavior Specialists. While you will stay with your classroom teacher most of the time, you will also have opportunities to work with the other teachers on our team.

Since we all need to get to know each other better, you have a small homework assignment that is due on the first day of school. Please complete the attached The Summer Book Selfie activity. The directions of what to do are included! We can't wait to see them!

Don't forget to bring your math packet and Reading 500 sheet, if you completed them. Be sure to bring a book with you for quiet reading, as well.

We can't wait to see you on the first day of school, August 28th.
