

Welcome to Kindergarten

Hello Kindertner!

My name is Ms. Kozubal and I am so happy to have you in my class this year! You are going to love going to school at Harper and meeting all your new friends. We are going to learn and grow so much together this year. In our classroom you are going to have fun, grow your brain, be loved, and be respected.

On your first day of school, please bring a picture of you and your family. You can show and tell all your new classmates about yourself and the people that you love. You will also want to bring a healthy snack (fruit or vegetable) and a reusable water bottle.

Enjoy the rest of your summer! I can not wait to meet you!

Ms. Kozubal
